**Subject: CPS/Madison Superfund Site – Old Bridge, NJ
Final Human Health Risk Assessment and Responses to Comments**

Dear Mr. Osolin,

BASF and its project team have prepared this *Final Baseline Human Health Risk Assessment (BHHRA)*, consistent with the requirements of the Administrative Order on Consent (AOC) and the Statement of Work (SOW) for the CPS/Madison Superfund Site. Please find attached three copies (hardcopy and CD) of the report.

Also please find enclosed responses to January 21, 2015 USEPA comments on the *Draft Baseline Human Health Risk Assessment (BHHRA)*. BASF and its project team have incorporated the responses to these comments into the Final BHHRA.

Please contact me at (978) 392-5313 if we can answer any questions concerning this submittal or if we can provide additional information to assist in your review.

Sincerely,

Amec Foster Wheeler Environment & Infrastructure, Inc.

Michael J. Murphy
Sr. Project Manager
